

Dear Tahoe Truckee Unified School District Parents and Guardians,

Our district is committed to providing a safe and healthy environment for your children to learn, grow and thrive.

Student Survey

Beginning **May 27, 2025**, students in grades 6, 7, 9 and 11—with parent permission—will take the California Healthy Kids Survey, a measure of school climate, engagement and safety, and risk behaviors students may currently face. District leadership will go over survey results to determine how we can best serve your students.

Parent Survey

Parent input is also an important part of a healthy school campus. The California Healthy Kids Survey (CHKS) offers a Parent Survey, which we are asking all parents to take. This is an opportunity for parents to provide important feedback to District administration. Our District will use this information to create an environment where parents feel welcome and heard.

The CHKS Parent Survey will be available online beginning **May 23, 2025**. To access the survey, simply follow the link below and choose your primary language. If you have children attending multiple schools, please complete a survey for each child.

Alder Creek Middle
Cold Stream Alternative
Donner Trail Elementary
Glenshire Elementary
Kings Beach Elementary
North Tahoe High
North Tahoe Middle
Sierra High (Continuation)
Tahoe Lake Elementary
Tahoe Truckee High
Truckee Elementary

Thank you very much for your consideration and please don't hesitate to contact your student(s) school principal or counselor with any questions.
